PROFESSIONAL SUMMARY

Software Developer with knowledge of PHP, JavaScript (ES6+), React.js, and MySQL. Experienced in building web applications and working with modern development practices. Looking to apply technical skills and work collaboratively in a growth-oriented organization as a fresher.

EDUCATION

Shambhunath Institute of Engineering and Technology, Prayagraj *Prayagraj, Uttar Pradesh*

B.Tech in Computer Science | GPA: 8.75 / 10 *2020 – 2024*

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Responsive Design
Backend: PHP, Node.js, Express.js
Database: MySQL, MongoDB (Basic)
Version Control & Tools: Git, GitHub, VS Code
Core Concepts: OOPs, SDLC, RESTful APIs, Debugging, Web Performance Optimization

PROJECTS

Snappy Chat Application | *React.js, Node.js, Express.js, MongoDB*

- Developed a real-time chat app with instant messaging and user authentication via Socket.io.
- Created reusable React components to improve development efficiency.
- Optimized frontend rendering and stored messages securely in MongoDB, reducing latency.

Hostel Accommodation System | *C++ & MySQL*

- Built a hostel management system managing 500+ student records for room allocation and tracking.
- Structured relational database schema and implemented SQL CRUD operations with zero data redundancy.

PHP-Based Web Portal (Personal Project) | *PHP, MySQL, HTML, CSS*

- Developed a web portal for student registration and feedback, handling 200+ submissions.
- Integrated backend with MySQL, cutting data retrieval time by 25%.
- Implemented session handling, form validation, and ensured full data security.

Automatic Irrigation System (IoT Project) | *Arduino, Sensors*

- Programmed an IoT-based irrigation system using soil moisture sensors, reducing water use by 40%.

ACHIEVEMENTS AND RESPONSIBILITIES

- Event Coordinator in college Club - 11/2023 – 04/2024
- Executive member in coding Club - 08/2023 – 01/2024
- 1st position: In Blindcoding , TechContest(College Technical Fest) (10/2022 – 10/2022). Blindcoding is an annual event where programming questions have to be solved, with computer screen getting turned off every 5 minutes.
- 1st position: In SIET Coding Club (College Technical Fest) (10/2023 – 10/2023). Completed coding challenges and debugged given code sections.

CERTIFICATIONS

- Full Stack Web Development – IIIT Allahabad
- Full Stack Internship – Octanet
- Web Development Trainee – Acmegrade
- IoT Workshop – SIET
- International Conference – Buddha Institute of Technology
